## Destination

The medieval town of Saturnia is located in the heart of the Tuscan Maremma, immersed in a context of natural, wild charm, with fascinating cultural and archaeological itineraries of great interest. Guests can enjoy walks through the enchanted Mediterranean macchia scrub, visits to old castles, medieval hilltowns, Etruscan necropolises and Roman ruins.

The 'Maremma Triangle' is not to be missed, with its charming tufo towns of Pitigliano, Sovana and Sorano.

### Station:

- Grosseto Station: 60 km
- Montalto di Castro Station: 50 km
- Capalbio Station: 50 km

***Italy's most famous  
thermal spring  
dating back 3,000 years***

Terme di Saturnia Natural Destination is the elegant 5-star resort of the most famous and beloved thermal spring in Italy. It offers its guests unlimited access to the waters, a symbol of thermal well-being in Italy. The dedication to well-being extends over the whole Resort, whether inside or outside of the famous hot springs or in the Beauty Clinic, one of the largest and most prestigious in the world.

## Key features

- Historical building from 1919.
- Access to Italy's most famous hot spring and its invigorating waters.
- Multi-award-winning Beauty Clinic and innovative beauty and wellness treatments, thermal spa treatments and tailor-made programs.
- A natural backdrop unique in the world, perfect for a wellness retreat and a culinary itinerary.
- A 18 hole Golf course, which covers 6,316 metres and 70 hectares and respects the natural contours of the landscape.
- 1919 Restaurant and Trattoria La Stellata, the Resort's restaurants, designed to promote pleasure and well-being.
- Ideal for meetings and team buildings. The resort offers a variety of services, along with the possibility of indoor and outdoor bonding activities.

## A modern Tuscan concept

Grand Suites, Suites, Junior Suites, Deluxe, Superior and Comfort: 124 rooms in total, built along precise aesthetic principles. The composition of space, the choice of flooring, of light, of textiles and finishing touches: everything is designed to recreate a sense of harmonious well-being that pervades the resort and its surroundings.

Number of rooms: 124

2 Grand Suite  
14 Suite  
7 Junior Suite  
16 Garden Junior Suites  
49 Deluxe  
16 Superior rooms  
13 Spring Superior rooms  
7 Comfort and single room

## Dining

The Resort's restaurants are designed to promote pleasure and well-being. The 1919 Restaurant is meant to spoil the senses through the quality of its ingredients and its love for the territory; the new Trattoria La Stellata, located on the homonymous hill, offers the unique opportunity to taste the typical dishes of the Tuscan and Maremma tradition in the warm and informal atmosphere of a country house.

## Meetings, Events & Team-building activities

The Resort is the ideal setting for work-related meetings, surrounded by the wellness of the most famous thermal hot spring in Italy.

The understated elegance of the resort, the secluded location in the green heart of Maremma, and the possibility to organize indoor and outdoor team-building activities make the conference center the perfect venue for exclusive, impressive events.

## Saturnia Water & Spa

Guests can reach their well-being through numerous practices connected with thermal water: the pool of the millenary hot spring, swimming pools and hot tubs, waterfalls, Roman bath with a sauna and Turkish bath.

## Beauty Clinic

The Beauty Clinic, one of the largest and most prestigious in the world, offers cutting-edge, tailor-made programs: from thermal spa treatments to beauty, facial and body treatments; from rituals and massages to specialized consultations.

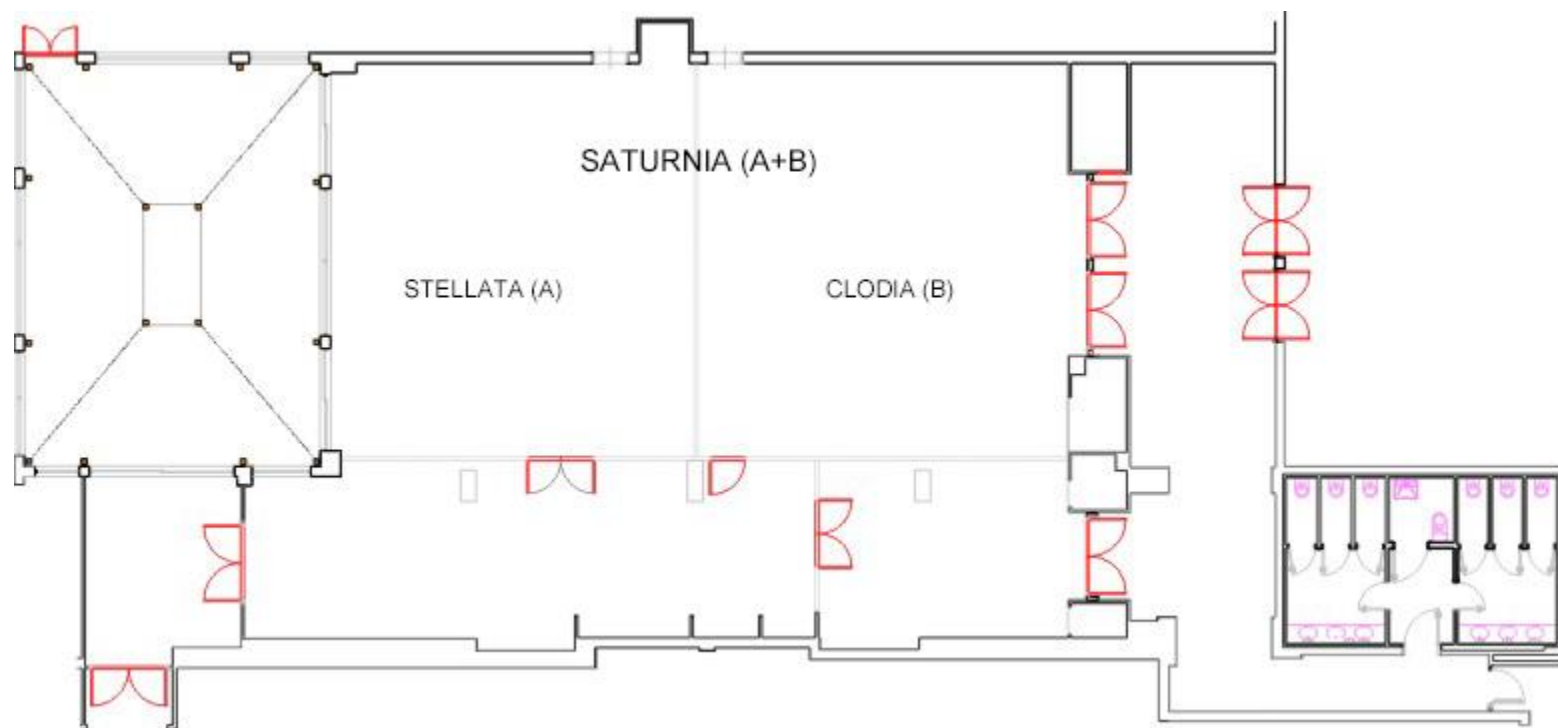

## Golf & Fitness

The Resort also offers different opportunities for indoor and outdoor sporting activities: guided walking tours in the morning, golf lessons and driving range, a tennis court, a fitness area, pilates lessons, mountain bike and e-bike rental.

The 18-hole course is the only course in Italy to have come from the pencil of the Californian Architect Ronald Fream. Designed with a fervent commitment to safeguarding the natural environment, it has obtained the prestigious GEO Certification.
