FIRENZE

The rebirth of a hotel icon in the heart of Florence

Helvetia & Bristol, a historic residence a few steps from Palazzo Strozzi and via Tornabuoni and the first luxury hotel in the heart of Florence since 1885, reopens after a restoration of the historic wing and the recent expansion which mark its rebirth.

Guests will enjoy 25 new charming rooms and suites signed by Anouska Hempel, a terrace for private events overlooking the Duomo, and LA SPA, the iconic wellness retreat that stands on the site of the ancient Capitoline baths. The project expresses the authentic soul of the city, creating an intimate connection with the territory also thanks to the Great Florentine master craftsmen who, with their know-how, have contributed to the "Grande Bellezza" of this iconic hotel.

Location

The hotel is in the Unesco site, a few steps from Palazzo Strozzi, a Florentine Renaissance masterpiece that hosts the city's major art exhibitions, around the corner from Via de' Tornabuoni, the most exclusive shopping street in Florence. An exceptional location, just a short walk from the Duomo, Piazza della Signoria and Ponte Vecchio. The hotel is the ideal starting point for visiting the city on foot, discovering its artistic and architectural treasures and enjoying its social atmosphere and nightlife.

In the refined Bristol Winter Garden, breakfast is signed by Iginio Massari Alta Pasticceria and includes a selection of sweet and savory cakes, cookies and croissants baked daily.

From the exclusive collaboration with a historic Florentine name comes Cibrèò Caffè, a new "living room" in the city, cozy and convivial, and Il Cibrèò Ristorante, which offers a menu of highly selected Italian specialties. Making Cibrèò even more sophisticated is the new Cocktail Bar, which dominates the main room of the Restaurant.

LA SPA

LA SPA Helvetia & Bristol is the largest luxury spa in the city centre and its distinctive feature is its thermal heritage: it stands on the site of the ancient Capitoline baths and is inspired by the authentic experience of the "Roman baths." In the 540 square metres of the wellness area, an evocative multi-sensory path winds its way: Calidarium (Hammam), Aquamotus (Slip Shower), Aquae (Experience Showers), Sudatorium (Finnish Sauna), Frigidarium (Ice Room), Tepidarium (Salt Room) and finally the scenographic Lacus Quietis (Pools). In addition, the two relaxation rooms overlooking the pool, the well-equipped gymnasium and a wide selection of Signature Treatments complete the wellness offer of LA SPA.

Events

In the heart of the historic center of Florence, the Helvetia & Bristol offers spectacular and exclusive spaces for private events, show cooking and cooking classes: from the Winter Garden to the Tinello designed by Riccardo Barthel, from the Cibrèò Caffè to the Roof Top Terrace.
